Steps for Registration

2. Parents fill out lottery slip and return to the KCC office in the Recreation Building before 9 am Tuesday, March 2nd. Please note that we've included two lottery slips: one for kindergarten students and one for grades 1-6. **NEW:** Lottery slip may be faxed to the KCC office at (510)525-0294 by 9am on Tuesday, March 2nd. Please call to confirm receipt.
3. KCC staff post results of lottery drawings (one for kindergarten students and one for grades 1-6) by 3pm on Wednesday, March 3rd. Results are posted at the Kensington Community Center, at the Recreation Building, and online at: www.kaseplottery.com
4. Registration begins for kindergarten students at 6:45pm and at 7:15pm for grades 1-6 in the Community Center. Names are called in the order drawn in the lotteries. During registration, families cannot ask a family with a lower lottery number to register for them.

Some frequently asked questions about registration:

I can't attend registration—how do I sign up for classes?

Another family can list you on their lottery slip and sign up for both families at registration. They cannot register for you if your name is not on their lottery slip. You can also sign up for any spaces left in classes after registration in the KCC office. Only one lottery slip should be submitted for two families registering together.

Can I register if I forgot to submit a lottery slip?

You can come to registration and receive a number that follows the numbers given out through the lottery. As above, you can also sign up for any spaces left in classes after registration in the KCC office.

What happens if I arrive at registration after my name has been called?

You'll need to get a "walk-in" number and wait until the rest of the lottery numbers have been called.

Do I need to fill out any paper work before registration?

Please fill out the top section of the registration form and bring it with you to registration. The registrar will fill in classes for you at the bottom of the sheet, so please leave this part blank. You'll find a separate worksheet in the packet that you can use to jot down first and second choices for classes.

May I register if I owe money for a previous session?

No, you may not sign up for classes at registration. Please come by the KCC office to clear your account. You may register in the office for classes with openings. **Do I need a lottery number to sign up for gymnastics and karate ?**

No, you may sign up for karate directly without having a lottery number. Please call Judy Baker at 233-1833 for questions about gymnastics.

Can I pay by credit card?

KCC currently can only accept cash or checks.

Should I pack a snack for my child?

You can always send a snack along with your child. Whether snacks are provided in a class is at the discretion of the teacher. If your child has any food allergies or special food requirements and you want them to have a snack, you need to provide a snack from home. Also, please let KASEP know about any food allergy issues or special food requirements for your child.

Will outdoor classes be held on rainy days?

Yes, we have assigned rooms for indoor games and activities on rainy days. Please consult the class description in the brochure for the specific room. Also, please note that the rooms vary by day since we have many classes during the week.

PARENT OR GUARDIAN'S NAME(S):

THIS SLIP IS TO BE DROPPED OFF NO LATER THAN 9:00 AM ON TUESDAY, MARCH 2ND IN THE MAIL SLOT OF THE KCC/KASEP OFFICE IN THE RECREATION BUILDING.

WHAT YOU NEED TO KNOW

GETTING TO CLASS

For students in grades 1-6, KASEP is responsible only after they check in at their KASEP class. Parents are responsible for providing any required assistance to ensure that their children find their way from school to KASEP classes. If parents do not think their child is able to independently get to KASEP classes, they should consider waiting until their child is older to start KASEP. Please let us know if your child will be missing their KASEP class.

SIGN-OUT PROCEDURES

On the registration form there will be a place to check and sign a waiver which allows your child to leave KASEP classes on his or her own. If you do not sign this waiver, you or whomever you have assigned are required to come into the classroom and sign the child out before he or she may leave. Students with permission to leave on their own may only leave at the end of the class.

The KASEP staff make every effort to be sure that all students are signed out before leaving the classroom, but it is important that we have your cooperation to insure that (1) you or a person that you have assigned always signs out before taking the child from the classroom, and (2) you talk with your child about not leaving the classroom or the area just outside the classroom until you or the assigned person comes to pick him or her up. To change the child's status in the middle of a session, you need to sign a new form in the KCC office and also alert the appropriate KASEP teachers so they can change the sign-out procedure for your child in their roll books.

THE BIGGEST HELP PARENTS CAN GIVE US IS TO BE ON TIME OR EVEN A LITTLE EARLY TO PICK UP THEIR CHILD. If you have given written permission for your child to leave the classroom on his or her own, your child should know where they are supposed to go after class.

KINDERGARTEN CLASSES

In order to provide enrichment classes to all kindergartners, KASEP offers before school enrichment classes for PM kindergartners Monday through Friday, as well as after school classes for AM kindergartners every day.

The PM kindergartners taking a before school KASEP class should arrive at 10:15 am for their KASEP class (see class descriptions for location of classes). KASEP teachers will teach their class and will then walk students up to their kindergarten classroom. KASEP teachers will arrive at the kindergarten classroom in time to pick up the AM kindergartners. Once the PM kindergartners have gone into the classroom, the KASEP teachers will walk the AM kindergarten group down, supervise lunch and teach their class. After the class, those children must be picked up by parents or caregivers.

ATTENDANCE

Parents must notify KASEP (525-0292 voice mail) if a child will be absent.

Each teacher takes attendance every day and gives the roll immediately to the Afternoon Supervisor, who then checks unaccounted absences against the school roster for the day. If the child is still not accounted for, the Afternoon Supervisor will call the parents' home and work numbers. If there is no answer, she will call the emergency numbers listed on the child's registration form. Should calling all available numbers prove fruitless, a call to the Kensington Police will be made if the parent has given authorization to do so.

SCHOLARSHIPS

In an effort to make our classes available to more students, we offer four partial scholarships each session. Scholarships are limited to one scholarship per family per session. For students eligible for the free lunch program, the scholarship pays for 80% of the class cost; for students eligible for the reduced lunch program or who have demonstrated need, the scholarship pays for 50% of the class cost. Applications will be processed first come, first served with a waiting list of up to four names for the following session. The waiting list will not be carried over the summer. All application information is kept confidential. Applications are available in the KCC office and are due by Tuesday, March 2nd.

We raise money for scholarships through our bake sales and through donations at registration. We greatly appreciate the generosity of our community in

making scholarship funds available.

PAYMENT

Payment is due at registration. Please make checks payable to K.C.C. Payment can be made in two installments, but a minimum of 50% of the total must be paid at registration.

Classes are occasionally canceled if there is insufficient enrollment. You will be refunded and notified before the beginning of the session if your child's class has been canceled. If parents have not paid in full for all previous KASEP classes, they will not be eligible for the lottery or KASEP classes until they have paid their outstanding balance.

REFUNDS

Students may drop a class in the first week. There will be a non-refundable processing fee of 10% of the class cost for any class dropped. No refunds are given for students who drop out of class after the first week.

CLASS PRICES

Please note that the variation in class fees is due to several factors, including the number of weeks that the class meets during the session, the length of the class, and the class size. This Spring, with holidays Monday-Friday, April 5-9 and Monday, May 31, Monday classes will meet for nine weeks; Tuesday, Wednesday, Thursday and Friday classes for 10 weeks.

LATE PICKUP FEE

Parents will be charged a \$15 late fee for each fifteen minutes or part thereof that they are late.

DISCIPLINE

Our program is designed to offer quality classes to children after school. Disciplinary problems disrupt the classes and affect the quality of the teaching. On the first occasion of a disciplinary problem, the parent or guardian of a child will be called in an attempt to enlist the parent or guardian's help in correcting the behavior. A second offense may result in the child being permanently dismissed from the class. Any behavior deemed by the teacher to be dangerous will result in the immediate dismissal of the student. The parent

will be notified of any action taken. In a case of disciplinary dismissal, no refund will be given.

WAITING LIST

Children who do not get into a class because it is already full have the option of being placed on a waiting list. Up to 50% of the class for the following session will be taken from this list, according to the order of sign-up. Children on more than one waiting list can only preregister for one class, which applies only to the following session. The waiting list does not carry over to the next school year.

MINIMUM DAY CARDS

A Minimum Day card, available only to KASEP students, provides supervision for your child on minimum days (NOT for early dismissal on Wednesdays) from dismissal time until the start of the first KASEP classes. The card costs \$20, can be purchased at the KASEP office or at registration, and is valid all year. Parents are responsible for their children on minimum days (again, not Wednesdays) until the start of KASEP class if they have not purchased a Minimum Day card.

AGE REQUIREMENT FOR CLASSES

Each class description lists the ages for the class. Please do not sign up for a class if your child is not in the grades listed for the class in the brochure.

KASEP ADVISORY COMMITTEE

KASEP is fortunate to have thoughtful, dedicated and hardworking volunteers who serve on the Oversight Committee. These volunteers work at registration, meet regularly to help set policy and advise the administrator, work at camp registration and special events, and evaluate KASEP classes. Committee members receive priority for KASEP registration in recognition of the time they invest in the program. If you are interested in serving on the Oversight Committee, please contact the office at 525-0292 for consideration.

From the very beginning of teaching carpentry to kindergartners, I was never interested in just playing around with wood. I wanted these young carpenters to learn to use real tools and to make real projects, in a safe and supportive environment. To my continuing delight, these five- and six-year-olds are able to make a wide variety of projects of ever-increasing complexity. They learn problem solving, coordination skills, and even some basic math. They have fun and are always proud to take their amazing projects home to enjoy for years to come.

Explore the World of Nature by interacting with the hillside environment around our school. Did you know that lizards, snakes, butterflies, squirrels, gophers, deer, as well as a host of smaller animals and insects live right outside our doors? Our Critter class is a fun way to see, talk about and learn about some of the animal and plant neighbors we are close to. Chris likes to take short walks for looking and collecting, and he uses art and craft work as a way of amplifying and illustrating the natural world. In past years we have studied frogs, snails and slugs; caterpillars, bugs and butterflies; birds, fish and crickets; a lizard and a snake or two. Things to see, things to make, things to take home. When your project is completed, whether it's a paddle boat, a marble maze, a birdhouse, a xylophone, or another item you come up with, it's a great feeling to take it home to play with and use, or give as a special gift.

There is a great satisfaction in working with wood. As you get older and more adept at working with tools, you can also expand your skills by creating more complex and creative projects, sometimes working from your own designs. When you finish a project, whether it's a pinball machine, a pool table, a xylophone, a stool, a bookshelf, or something else you decide to make, it's a special feeling to know that you made it yourself to use or to give as a wonderful present to family or friends.

If any parents have access to wood or other carpentry materials or tools that they might donate to our carpentry classes, please call Sandy at (510) 482-1258. Thanks.

Waiver/Release of Liability

Our legal counsel informs us that this form is necessary. Please read carefully.

On behalf of myself and the child enrolled, I acknowledge that certain of the activities in which my child may participate carry the risk of injury. On behalf of myself, my child, the members of my immediate family, our respective heirs, successors and assigns, I do herewith voluntarily assume all risks of such activities, and further, do herewith waive, release and forever discharge Kensington Community Council (hereinafter referred to as K.C.C.), Kensington Community Service District (hereinafter referred to as K.C.S.D.) and Kensington After School Enrichment Program (hereinafter referred to as KASEP), their respective officers, directors, agents, servants, employees, contractors and subcontractors, representatives, successors and assigns, from and of any and all rights, claims, actions, and causes of action, which may accrue to me, my child, the members of my immediate family, our respective heirs, successors, and assigns for any and all damages of any kind whatsoever, including personal injuries, wrongful death, emotional or mental distress, punitive or exemplary damages, pecuniary loss or damage of any kind, or property damage which may be sustained by or accrue to any or each of us arising from or in any way connected to the participation by:

(Child's Name)

in the activity described in this application, or in any activity reasonably related thereto, including but not limited to travel to and from such activity even if due to the negligence or fault of the parties herein released or the defective condition of the property and/or equipment used. I further agree, for myself, and all those enumerated above, to defend, indemnify, and save harmless, K.C.C., K.C.S.D, KASEP and their respective officers, directors, agents, servants, employees, contractors and subcontractors, representatives, successors, and assigns from any such claims, actions, and causes of action, and any and all damages flowing therefrom.

I have carefully read this agreement, including the foregoing liability waiver, and I fully understand the contents and meaning of each. I acknowledge that I fully understand that I am forever giving up, in advance, any right to sue or make claims against the parties that I am releasing for injuries or damages that my child may sustain while participating in the class, even if caused in whole or in part by the negligence or other fault of the parties or persons I am hereby releasing, by the dangerous or defective condition of any property or equipment owned, maintained or controlled by them, and/or because of their liability without fault. I nonetheless am willing, of my own free will, to sign this waiver of liability because I want my child to be a participant.

I also acknowledge I have read, understand and fully waive the provisions of California Civil Code Section 1542 which is quoted below:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

I also understand that photos may be taken of KASEP classes and that the photos may include my child. I hereby authorize use of these photos for promotional or marketing purposes at the discretion of KASEP, K.C.C. or K.C.S.D.
